The demand of learning Chinese is increasing daily and we have been approached by a number of parents to organize Chinese Course for them. Please be advised that starting from 4th October, 2003, a Chinese programme has been arranged for interested parents. The course aims to equip parents with the basic Chinese language skills in communicating with others in their daily life. It also helps parents understand the Chinese lessons taught to pupils in school so that they can help their children revise at home. Details of the arrangement are as follows:

Participants: Parents  
Date: 4th October, 2003 to 17th January, 2004 (Every Saturday)  
Time: 10:30 a.m. to 12:30 p. m.  
Course Fee: HK$300.00

I believe this course is beneficial to parents in helping their children learn Chinese. Please indicate in the reply slip whether you will join the Programme and return to the Class Teacher before 30th September, 2003.

Thank you for your attention.
