Proposal of Walk for Millions

Our concern is Japan, last year there was a typhoon in Japan. The consequences of the natural disaster are many people were injured and some were also killed. After the typhoon, the people lost their properties, food, large building and ship. And the long towers were damaged. The typhoon also caused large waves and a flood.

Our fund-raising event is called walk for Millions. The purpose is to help victims in Japan suffering from typhoon. We want to help the Japanese people who have lost their homes and family. They also need your help too, because they don't have enough food and housing. Since there are not enough doctors to care the injured people. The people is too poor to buy food.

The details of the event "Walk for Millions" is a walkathon for raising money for the victims who have suffered from the typhoon in Japan. There is also going to be a lemonade stand. The date of the event is 15/4 – 24/4, which is Easter Holidays. The time of the event is 9:00 a.m. -9:00p.m. and the event will take place in Victoria Park.

The target amount of money needed to be raised is 8000 dollars. There will be also a second-hand stall, you can donate some old books, old toys and some shoes that you don't need any more but the shoes need to be clean and tidy. We will put the donation box in Victoria Park. Com and help us!
