During my Lunar New Year holidays I went to Dubai for ten days. I went with my family and friends.

First we went to visit Burj Khalifa. We all saw many different shops. There was a clothes shop which I like most. I told my parents to buy me a dress which was very beautiful. But later, I saw the price was so expensive that I did not want to buy it. Finally, I bought a T-shirt. After that, we ate in a restaurant where there was a lot of food from different countries. We all tried Thai food because most of my friends and my family like Thai food.

After doing all these activities, I felt very happy and excited. I am looking forward to a new journey afterwards.
