24th January, 2022
Circular 23 /2021-22

Dear Parents,

Survey of vaccination status of student
and preparation for the implementation of Vaccine Bubble in School

The Education Bureau (EDB) issued a letter to all schools in Hong Kong on January 20 regarding the arrangement of the implementation of "vaccine bubble" covering schools from February 24.

Starting from February 24, except for those exempted (e.g. those who are unfit for vaccination due to health reasons), all teaching and non-teaching staff, persons providing on-campus services and visitors of kindergartens, primary and secondary schools, and private schools, will be required to present vaccination records of at least the first dose of COVID-19 vaccine prior to their entry into school premises. I am writing to assure you that all teaching and non-teaching staff have fulfilled the vaccination requirements. To better facilitate the daily student parent pick up process under the Vaccine Bubble policy, we wish to enquire the statuses of parent/guardian on whether they fulfil the above mentioned requirement of entering the school premises.

In addition, the Government also announced that children aged 5 to 11 can receive the Sinovac vaccine from January 21 with reservation, while the reservation for BioNTech vaccination will start on February 9. In order to facilitate group booking of COVID19 vaccination of students, we wish to enquire the current vaccination statuses of your child.

Kindly please complete the attached reply slip so that we will be able to plan for arrangements in the near future. For enquiries, please do not hesitate to contact Deputy Principal, Mr Chow, at 2577 3489. We sincerely thank you for your attention to these changes and your assistance in helping to provide a safe and healthy learning environment for our students.

Wishing everyone a healthy and safe year of the Tiger!

Ms YU Hing-yin
(Headmistress)
