3rd March, 2022

Circular 31 /2021-22

Dear Parents,

Arrangement for group vaccination of Sinovac CoronaVac vaccine outside school

In view of the speed of spreading of COVID-19 in Hong Kong recently, the government announced on February 15 that children aged 3 or above can receive the Sinovac vaccine.

We will join the group vaccination service of Sinovac CoronaVac vaccine arranged by Wan Chai District Headmasters' Conference. As the Sinovac CoronaVac vaccine requires two doses of vaccination, two vaccination days have been arranged for our students with details as below. If your child has not received any dose of COVID-19 vaccine before, you are encouraged to join this vaccination arrangement.

Participants joining this outreach vaccination service will receive vaccination on a Mobile Vaccination Station converted from containers. Mobile Vaccination Station has been set up by the government to enable members of the public to receive the same quality of vaccines and procedures as Community Vaccination Centres.
