Circular 35 /2021-22

Dear Parents,

Early Vaccination for All – It's more than a Jab

Following the government's urge to get vaccination to protect life and reduce risk of serious illnesses, we have arranged group vaccination of the Sinovac and BioNTech vaccines for our students during the special vacation. As our school will soon resume on April 25, 2022, I would like to urge you to bring your child to get vaccinated as soon as possible, so that your child could be better protected from the virus.

The government has set up more vaccination centres and bookings can be made quite easily recently. Please bring your child for vaccination as early as possible. Some links are listed below for your easy reference.

If your child has not received any vaccination because he/she was previously infected COVID-19, you may need to seek more advice from your family doctor before bringing your child for vaccination.

Kindly please complete the attached reply slip so that we will be able to have a better planning for resumption of whole-school face-to-face schooling and arrangement of extra-curricular activities for students who have vaccinated. For enquiries, please do not hesitate to contact Deputy Principal, Mr Chow, at 2577 3489. We sincerely thank you for your attention and your assistance in helping to provide a safe and healthy learning environment for our students.
