Circular 38 /2021-22

Dear Parents,

### **Collection of Students' Vaccination Record**

Vaccination is regarded as the most effective way to save life and avoid serious illnesses caused by the COVID-19 virus. Our school is closely following recommendations from the government to provide a safe learning environment for our students.

According to EDB's recommendations, vaccinated students would be eligible to join after-school extra-curricular activities. To facilitate better arrangement, kindly please complete the attached reply slip and return your child's vaccination certificate (or doctor's recommendation letter for being unsuitable for vaccination, if applicable) to the Class teacher within the first week of resumption of on-campus learning. If your child was previously infected COVID-19 and recovered, please submit the "COVID-19 Recovery Record" to us through the Class teacher. You may obtain the Recovery Record on this website:

For enquiries, please do not hesitate to contact Deputy Principal, Mr Chow, at 2577 3489. We sincerely thank you for your attention and your assistance in helping to provide a safe and healthy learning environment for our students.

  
Ms YU Hing-ying
