29<sup>th</sup> April, 2022

Circular 41 /2021-22

Dear Parents,

### **Arrangement for group vaccination of Sinovac / BioNTech vaccine**

As face-to-face on-campus lessons will resume for all levels on May 3, 2022, I am writing to urge you to get your child vaccinated ASAP, not only to better protect your child from being infected, but also to avoid serious illnesses caused by the COVID-19 virus.

In addition, since the launch of the Vaccine Pass scheme, it allows only vaccinated or exempted residents to enter specific premises, including but not limited to our school premises, we strongly urge parents and students to take necessary actions so as to fulfil the Vaccine Pass requirement.

Moreover, according to EDB announcement on 11 Apr, flexibilities will be given to vaccinated students to participate in non-academic extra-curricular activities outside classes. Regarding individual students who have received the second dose of vaccination for more than 14 days may stay at school after lessons for non-academic extra-curricular activities such as K-pop dance class, violin class, bi-lingual drama class, IJam Music class, and in some mask off sports activities such as rope-skipping class etc. at school. In addition, our school will be organizing some mass events in public premises, the events are namely: the SEK 130th Anniversary Celebration and P6 Graduation Ceremony (Jul 22), P1-5 Prize-giving Ceremony and student Variety Show (Jul 22), educational excursions (mid July), Parent's Day (Jul 29) and Student Games Day (late July) etc. Hence, we strongly urge parents to race against time to arrange for themselves and students to receive vaccines.

For your information, the Vaccine Pass requirement has been updated requiring citizens to have the 3<sup>rd</sup> dose of COVID-19 vaccine from May 31, 2022 onwards. For details, please refer to the updated Vaccine Pass Requirement on this website: [https://www.coronavirus.gov.hk/pdf/vp\\_t1\\_ENG.pdf](https://www.coronavirus.gov.hk/pdf/vp_t1_ENG.pdf).
