

To: Parents/Guardians,

**The 7<sup>th</sup> Annual Hong Kong Primary Mathematical Challenge (2020-2021)**

Hong Kong Primary Mathematical Challenge is an annual mathematical competition which is organized by the Hong Kong Catholic Diocesan Schools Council (Secondary Section) and the Department of Mathematics and Information Technology of The Education University of Hong Kong (EdUHK). This competition is also supported by the Curriculum Development Institute (Mathematics Education Section) of the Education Bureau. In order to promote the interest and enthusiasm of students towards Mathematics and develop their problem solving skills, your child has been selected to participate in the competition. The competition will be held on **5<sup>th</sup> December, 2020 (Saturday)**.

As the organizer would like to measure the effectiveness, pinpoint the weaknesses and develop constructive suggestions for learning and teaching of mathematics, data of the competition will be used for research.
