Notice 38 / 2020-2021

To: Parents / Guardians,

## Understanding Adolescent Project for P.5 Pupils 2020-2021

The Understanding Adolescent Project (UAP) implemented by the Education Bureau (EDB) is a comprehensive support programme for personal growth, which aims at enhancing pupils' resilience. In addition, the project enhances pupils' sense of belonging towards their families and schools, as well as their communication and co-operation skills with others.

Pupils who joined UAP last year enjoyed the program. Progress was shown in anger management, conflict resolution, goal setting and interpersonal relationship. Although some activities were not carried out last year due to pandemic, still we would like to invite your child to join the UAP (P.5) so as to further develop their potentials. Individual and small group meetings will be held to discuss on pupil's personal growth and interpersonal relationship with workers from the Boys Brigade. Mass meetings will also be held. However, under the pandemic situation, meeting will be arranged online via "TEAMS". Details of the program will be announced in the first session to all participants.

Parents are cordially invited to participate in this meaning project so as to grow and learn together with our children. For enquiries, please do not hesitate to contact Mr Wong at 2577 3489.

We look forward to seeing you in the UAP meeting!

(Ms. Yu Hing Yin)  
Headmistress
