Notice 78/ 2020-2021

To: Parents / Guardians of _____,

Stakeholder Survey for Parents (2020-2021)

Our school is going to invite parents of Primary 5 to Primary 6 to complete the questionnaire of the stakeholder survey. 30% of parents are selected for randomly sampling. The survey is a measure to help our school collect views from parents on four aspects including “Students’ Learning”, “Support for Student Development”, “School Climate” and “Home-school Cooperation”. The questionnaire is designed by the EDB.

Together with this notice, the questionnaires are distributed to the selected parents. Parents should give views anonymously without writing student’s name or class.

Parents should return the completed questionnaire to the class teacher of your child next Monday (22nd March, 2021). All information collected from the questionnaires would be processed in strict confidence.

Thank you for your support!

Ms YU Hing-yin
Headmistress
