

Visual Arts

✧ Introduction

The objective of Visual Arts for our school:

1. To enhance teaching and learning effectiveness through self-directed learning
2. To cultivate students' positive values on caring about others and the society
3. To enhance parents' involvement in parent education

Teaching resources

- Powerpoints
- Reference Books

✧ VA Activities

Christmas Stocking Design Competition	
Objective	To celebrate Christmas and provide an opportunity for students to share their happiness with their classmates and families.
Form	Students were expected to design Christmas stockings with their parents. All the participants were invited to show their work on School Christmas Party in December 2019.

Eco-Christmas Tree Design Competition

Objective	To arouse the awareness of environmental protection in a festive season.
Form	Students have designed the layout of the Christmas tree and label what materials they would like to use to decorate it. Selected participants were invited to make the Christmas tree with the use of recycling materials such as plastic fork and straws.
